THE SUICIDE AT HAWAIIAN HOTEL

LETTER FROM VIRGINIA IDENTIFIES YOUTH WHO SHOT HIMSELF ON NEW YEAR'S DAY.

William Hancock, the young man who committed suicide on New Year's day at the Hawaiian Hotel, has been identified, through a letter received here by the last mail. The letter was from Julius A. Brown, of Wytheville, Virginia, who is an uncle of the deceased. He enclosed a picture of the youth and made inquiries as to the disposition of his remains and property. According to the letter Hancock was a native of Virginia, 22 years of age and a member of a good family. His nearest living relative was a sister in Wytheville. He was a graduate of the State University of Ohio and a pharmacist by profession. According to Brown's letter the suicide was a youth of good character and was not addicted to any other vice than that of excessive cigarette smoking. He had contracted lung fever and started west for the benefit of his health. When he left home he had considerable money and jewelry, including a valuable watch and the letter from his uncle makes inquiry as to what has been done with his property.

At the time of his death Hancock had only a few dollars on his person and little jewelry, and it is supposed that he had had to dispose of his effects to gain support for himself. A reply has been sent to Brown giving information as to the burial of the remains and notifying him that Hancock's estate would be looked after in the courts here.

IN MILITARY CIRCLES.

Lieut. Merle M. Johnson, C. W. V. Forster and Thomas P. Cummins have been appointed by Col. Jones as a board of survey to report on the condition of the N. G. H. ordinance, and to examine and make report upon property reported lost by company commanders and ascertain the accountability and responsibility attached thereto.

Col. J. W. Jones has received letters of inquiry from the General Division, Department of California, regarding this year's inspection of the National Guard of Hawaii, such as the itinerary that would be required for the inspecting officer. It is probable that, as heretofore, the inspector will be detailed from among the U. S. A. officers at Camp McKinley.

IDENTIFYING TREES.

The Promotion Committee is seeking through the Park Commissioners, and the Superintendent of Public Works, as well as through the public spirit of private individuals to have specimens of the many varieties of trees in Honolulu said to number 200, so marked that visitors and tourists will be able to learn the names of the trees they see here.

WIRELESS SUBSIDY.

Governor Carter is considering holding up the monthly subsidy of the wireless telegraph company because the system has not been in working order for some time, owing to the destruction of poles during the recent storm. The company claims that it should not be held responsible for such damages and that it cannot run on without the subsidy.

JOINED THE MAILES.

The members of the Marine baseball team have joined with the Maile Ilmas, making the latter a much stronger team. The marines are members of the company of U. S. marines recently quartered at the naval station and there are some good players among them.

The following are the men who have joined the Mailes: Frederick W. Wren, William Hampton, George Davis, Samuel J. Hallenbeck, Daniel E. Ryan, Harry Murphy, James A. McNamara, William S. Robinson, George F. Roberts, V. P. Delone, H. E. Cogswell.

STORM ON MOLOKAI.

Last week's storm on Molokai caused much damage. Houses were carried away by the flood and taro fields sustained much injury. There were some narrow escapes of people in houses, either from drowning when they slept or being caught in the ruins when a house fell.

SUGAR ON HAWAII.

Admiral Beckley of the steamer Kilauea which arrived Saturday from Hilo and way ports reports the following sugar on hand at various Hawaii plantations: Oloa, 1400 bags; Waiakoa, 1400; Hawaii Mill, none; Wainaku, 13000; Pepeekeo, 5000; Onomea, 20,000; Honouliuli, 11,000; Hakalau, 14,000; Laupahoehoe, 600; Kokama, 3500; Hamakua, 6700; Paauhau, 3600; Honokaa, 7,000; Kukuiahae, 5000; Punaluu, 1600; Honouapo, none.

MURPHY WANTS TO FIGHT.

Australian Tim Murphy wants another go at Dave Barry. Such a contest would be a good one. Up to the final rally in the 8th the fight was anybody's who could land the first effective blow. Both men were tired and as a matter of fact, Murphy had the better of the situation for the reason that he has a more savage punch than Barry. Murphy roughed and tumbled it with his younger opponent and as Barry had the advantage in weight, this sort of fighting told against the Australian. A return match would be a very interesting event and instead of Barry being regarded as an odds on favorite it ought to be an even proposition for Murphy would certainly have an even chance of defeating the man who defeated him last Saturday night.

THE CHILLIAN SHIP Othello arrived from Nitrite Ports yesterday afternoon with 2,100 tons of nitrates for the Hawaiian Fertilizer Company. Nothing of interest occurred during the trip which was made in 65 days.
